

ESDAN DRINKING WATER HOSE CARAVAN/RV FOOD GRADE HOSE

Esdan food grade general purpose drinking water hose has been specifically designed for the caravan/motor home / boats / RV market. The tube is flexible and reinforced to withstand normal town and country water pressure. The hose is manufactured from materials meeting USA FDA requirements.

Ideal for camping, farms, tanks, aquariums and boating applications. And anywhere that requires safe and clean transfer of drinking water.

- All Australian made
- No 'plastic' taste in water
- Meets FDA 21 CFR 177
- Durable construction
- High quality food grade compound
- Uses standard 12mm hose fittings
- Multiple applications
- Australian Standard AS/NZ 4020
- Non-Toxic, safe and clean
