

ESDAN HOTWASH HOSE WASHING MACHINE / DISHWASHER HOSE

Esdan Hotwash hose is a Heavy duty outer ribbed hose specifically designed for the conveyance of hot water under pressure. This multi-functional hot water hose can be used in most wash down applications and is ideally suited for dish washers and washing machines.

The hose has excellent abrasion resistance, is light weight and is U.V stabilised for outdoor use.

- All Australian made
- Tough, high abrasion resistant cover
- Bright white cover for high visibility
- Good flexibility for ease of handling
- UV Stabilised for outdoor use
- Self extinguishing
- Temperature range: up to +80°C
- Minimum safety factor of 4:1 allowing for pressure surges.
