

ESDAN AIR SEEDER HOSE HEAVY DUTY SUCTION / DELIVERY HOSE

Esdan Clear Air Seeder is a PVC suction and discharge hose with a smooth bore, suitable for use as primary, secondary and tertiary lines on air seeder machines.

Lightweight and flexible, Esdan Plastics air seeder hose is also suitable for many other less demanding applications. The hose is clear with a black Spiral, perfect for using in applications where the material being conveyed needs to be seen.

For use in Vacuum cleaning, Water Conveyance, Air Conveyance, Slurry and Sludge Transfer, Gravity Feed, Exhaust Removal, Dust Extraction, Air Seeding, Irrigation, and many other applications suitable to a light weight highly flexible hose.

Resistant to crushing. Abrasion and weather resistant. Shock resistant PVC spiral.
