

## ESDAN BLUE LAY FLAT HOSE PUMP IRRIGATION DISCHARGE HOSE

ESDAN Blue Layflat PVC hose is designed for light to medium duty water discharge applications in construction, agriculture, general industry and mining. The hose is a strong and economical lightweight hose which lies flat to the ground when not in use and rolls up flat for easy storage. Outlet water pressure is sufficient to open it up to deliver pumped water to exactly where it's required.

Applications include: Water transfer / dewatering / Irrigation sprinklers / sump/trash pumps and Trickle irrigation.

Construction: Blue PVC tube and cover are extruded simultaneously to obtain maximum bonding

Reinforcement: 3 – ply polyester yarn Temperature : -10° to 150° Fahrenheit

PRODUCT CODE	I.D mm	I.D imperial		MAXIMUM OPERATING PRESSURE		COIL LENGTH metres	COIL LENGTH feet
