

## STEEL WIRE HELIX SUCTION HOSE FOOD GRADE / HEAVY DUTY HOSE

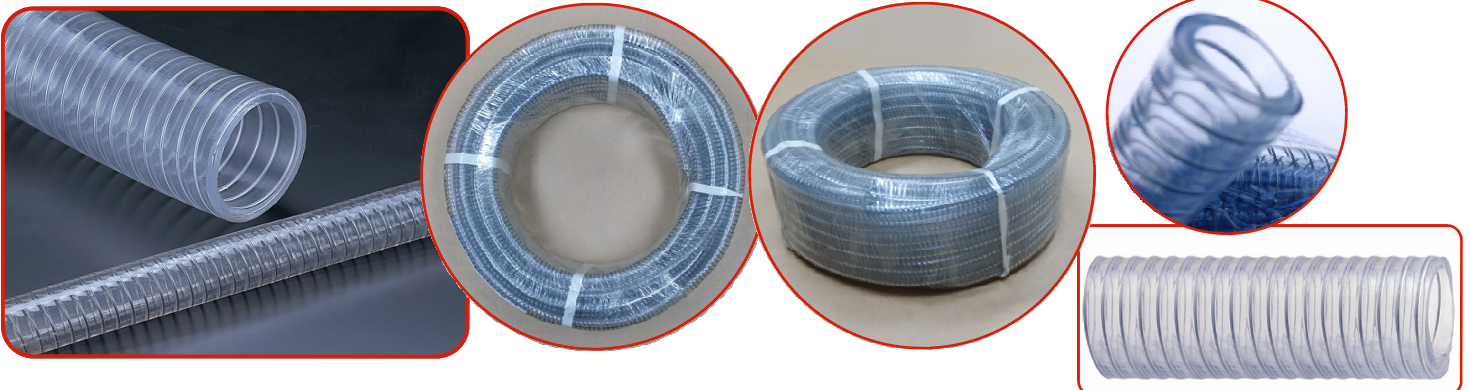

The Esdan Steel Helix suction hose is a flexible, heavy duty food grade PVC hose, specifically designed for the conveying of food grade material, beverage and fluids in the food and pharmaceutical industry. The hose is ideal for use in abattoirs and canneries, for liquid filling machines, etc...

The steel wire helix provides full suction capability. The crystal clear wall allows visual confirmation of your product flow. The hose is manufactured from a non-toxic formulation conforming to FDA requirements.

Lightweight and flexible, the Esdan Steel Helix is also suitable for many other less demanding applications such as oil drains, draining sewage and water or granulate materials.

**Construction:** Clear non-toxic PVC with rigid steel wire helix. FDA compliant

**Temperature:** +5°C to +65°C

PRODUCT CODE	I.D. mm/inches	O.D. mm/inches	Bend Radius	WORKING PRESSURE	VACUUM RATING	COIL LENGTH
