

NYLON PRESSURE TUBE

IMPERIAL NYLON E1000 & E500 TUBING SAVES AS MUCH AS 75% WEIGHT OVER RUBBER OR STEEL LINES

FEATURES & BENEFITS

- Made from high quality nylon making the tubing excellent dimensional stability
- Lightweight saving as much as 75% in weight over rubber hoses & steel lines
- Standard use by many large original equipment manufacturers and industrial users in a wide range of applications
- Heat & light stabilized making it highly resistant to aging
- Easy to install with flexible tubing inside frame rails, around corners in continuous length, thus reducing the number of couplings.

COLOR OPTIONS

Tubing comes standard in: **Black, Natural, Blue, Green, Orange, Red, Yellow**

Please note: not all colors available in all sizes, however can be manufactured upon request.
