

# NYLON SELF-STORE HOSE

PREMIUM INDUSTRIAL PRESSURE TUBE MADE FROM QUALITY MATERIALS FOR EXCEPTIONAL PERFORMANCE

## FEATURES & BENEFITS

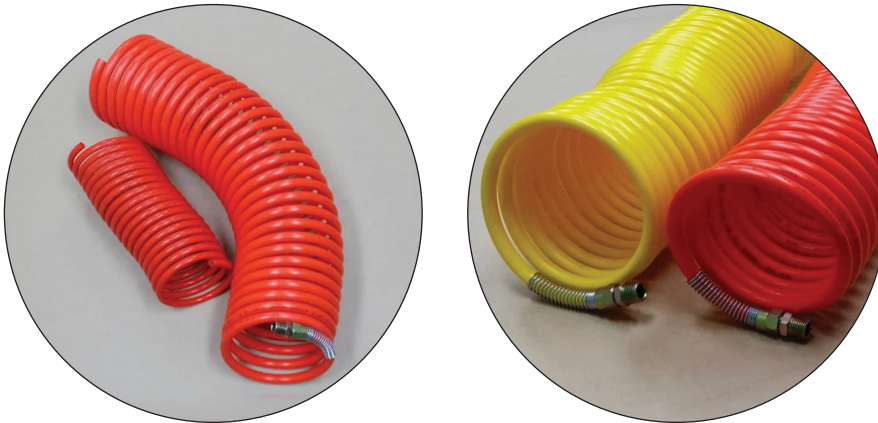

- Smooth interior surface gives optimum air flow for efficient operation
- Retractable to very short lengths
- Lubrication oil added by means of 'airline oilers' reaches the working parts of air tools to keep the working parts running smoothly.
- Made from nylon and does not contaminate the oil or give off any sticky residue to damage air tool as found with many other rubber hoses
- Light weight for ease of operation

## COLOR OPTIONS

- Tubing standard color: **Orange, Yellow**
- Other colors made to order

## SPECIFICATIONS

- Working Pressure is 175 PSI
- Burst Minimum is 600 PSI
- On request brass fittings can be supplied with coil
